Commitment Award 2022

Information for Applicants

Willy Brandt himself represented social change, which was reflected in his social and political reforms. He believed that policy was worthless if policy makers did not have a specific purpose or goal in mind when creating it. Thus, in the multicultural and diverse setting of the Brandt School, the Commitment Award seeks to give students and alumni the opportunity to apply what they've learned at the Brandt School and to create new social initiatives here in Erfurt and around the world.

Do you have an idea for an outstanding social project but lack any seed funding?

Do you need more publicity for your project or idea?

Then apply for the Commitment Award at the Willy Brandt School of Public Policy!

The Engagementpreis Foundation is sponsoring the 11th Commitment Award at the Brandt School. The best three projects will be awarded EUR 1,000 each which must be spent to further develop and implement the project idea.

The Commitment Award Ceremony will take place in Erfurt, Germany, **on July 7, 2022**.

Application Period

Application opens on **April 4, 2022** and closes on **May 15, 2022**. Late applications will not be considered! The complete application documents must be sent in one zip-file (max. 2MB) to team@commitmentaward.org by 23:59 (CEST) on May 15, 2022.
